Merging Goals into the "People, Places, and Prosperity" Framework

	Housing (H)	Economic Development (ED)	Environment (EV)	Healthy Communities (HC)	Transportation (T)
1	Communities across the region have diversified **housing stock** that provides **quality** housing choice that meets the needs of the region's population, including the needs of the **elderly, disabled,** and low income populations.	Communities pursue resilient, adaptable, and diverse economies.	The region's ecosystem provides **healthy** and adequate **water, air, soil** and **food resources** for current and future generations of people, wildlife and other living things.	The region's residents of all ages are physically and mentally healthy and lead healthy lifestyles through **access** to quality and affordable **healthy food**, healthcare, **aging services**, and exercise.	Prioritize investments **where people live and work** by maintaining, leveraging, and **coordinating existing infrastructure** when making investments.
2	Increase **access** to equitable, affordable housing.	Increase **education** and skill attainment of the region's residents to establish a competitive, trained diverse **workforce.**	The region preserves and incorporates natural areas and **open spaces** providing opportunities for current and future generations.	The region's built environment promotes healthy communities, including affordable healthy **housing** and **safe neighborhoods**, **walkable communities**, and **access** to **open space** and recreational opportunities.	Multi-modal transportation including transit, **pedestrian, and bicycle use**, become a larger share of all trips made in the region, resulting in **cleaner air** and **healthier communities**.
3	**Housing, transportation, land use and infrastructure services** and policies are **coordinated** to increase **access** to areas of opportunity, including: **quality education, healthy food,** and **quality jobs** to all region residents.	Business-friendly policies and **infrastructure**.	Reduce consumption of **non-renewable resources** and promote the **efficient** use of **renewable resources**.	The region embraces its multicultural, historical, and **natural** assets to ensure that its communities retain and/or enhance their unique context.	The region's transportation and **infrastructure** investments provide strategic **access**, linking residents, **jobs, education, services,** and other amenities.
4	Increase durability, **energy efficiency, health** and **safety** of **housing stock**.	The region's residents are able to earn a livable wage that promotes **healthy** and **safe communities** and families.	The region increases **efficiency** and **conservation**, reduces **resource** and **non-renewable energy consumption** and increases availability of **renewable resources.**		Promote **policies that coordinate transportation and land use** and reduce the strain on **resources**.
5	Maximize potential of existing neighborhoods.	The region's communities, businesses and individuals have **access** to a broad spectrum of **educational**, business, entrepreneurial, **employment** and investment **opportunities**.	Increase recycling, reuse and diversion of waste.		Promote effective goods movement while improving **quality of life** for residents.
6	Maximize potential of new neighborhoods, while minimizing impact on **natural resources**.				The region has **access** to global markets and destinations.

PEOPLE	Combination people/places
PLACES	Combination people/prosperity
PROSPERITY	Combination People Places Prosperity

Eliminating Overlap

The table below shows which goals from each category make up the newly revised goal below. Letters A, B, C, and D reference the draft goals below.

People	Places	Prosperity
People A: H3; ED2; ED5; T3	Places A: H3; H5; T1; T4	Prosperity A: ED1; ED3; ED5
People B: HC1; HC2; T2	Places B: EV2	Prosperity B: H3; ED4; ED5; T3
People C: EV1; EV2	Places C: H1; H2; H3; H4; H6; HC2	Prosperity C: T5; T6
People D: HC1	Places D: H6; EV3; EV4; EV5	Prosperity D: HC3

Key: H = Housing; ED = Economic Development; EV = Environment; HC = Healthy Communities; T = Transportation. The abbreviations and numbers correspond to the goals on the table(s) above.

Draft Goals

Reference	People	Places	Prosperity
A	Our region's residents have access to education and training opportunities to allow them to realize their full potential	Our region coordinates infrastructure, housing, and transportation investments, creating areas of opportunity and enhancing existing neighborhoods	Our region has a resilient, adaptable, and diverse economy and skilled workforces that supports businesses, innovation, and entrepreneurship
B	Our region's residents live in safe, healthy communities with transportation options, including walking, biking, transit, and driving	Our region values and preserves its unique ecosystems, working landscapes, parks, and open spaces and the ecological benefits they provide	Our region's residents have access to job opportunities that support a good quality of life and financial stability
C	Our region's ecosystems provide residents clean and plentiful water, air, soil, and food resources to sustain healthy future generations	Our region's communities have a range of quality housing choices that meet the diverse needs and preferences of all residents	Our region's transportation and infrastructure promotes effective goods movement and is well-connected to other global destinations
D	Our region's residents are physically and mentally healthy and are able to lead healthy lifestyles	Our region efficiently uses, reuses and conserves its natural resources by managing waste and consumption	Our region embraces its rich multicultural, historical and natural assets to ensure its communities retain their unique character

It is the desire of Our Region that the goals apply equally to all residents regardless of age, gender, income, race, nationality, ethnicity, familial status, or disability and that all residents have access to opportunities for civic participation, engagement, and civil service.

The Our Region plan covers the topics of housing, transportation, economic development, healthy communities, and the environment and reflects HUD's livability principles. The below goals demonstrate the interrelationship of these topics and are organized by the framework of people, places, and prosperity
